Dear Members,

In the past week, we have received several inquiries regarding our stance on entry conditions for those Members and their guests, or visitors that are not fully vaccinated.

The NSW government has outlined that, on the Monday after NSW reaches the 70 per cent double-dose milestone, we may reopen subject to the following conditions:

- All staff and customers must either have two doses of the COVID-19 vaccine or a medical exemption
- The 4sqm rule will apply in indoor areas and the 2sqm rule applying in outdoor areas.
- Standing while drinking is only permitted in outdoor areas.

The safety and well-being of staff and patrons are of utmost importance and we will fully co-operate with all required protocols imposed by NSW Health. I urge those of you that intend on being vaccinated but have not yet done so to consider prioritising this so you can once again enjoy socialising in our wonderful club.
